Naked Convicted Felon, Released from Prison Days Before, Violently Assails Female Victim, Chasing Her through a Neighborhood and Assails a Deputy During Arrest

Spokane Valley Deputies responded to a reported naked male chasing and arguing with a female, yelling for help in the 1000 block of N. Bessie Road. Arriving Deputies located the male suspect, who was completely naked, and the female victim, pleading for help in the 8500 block of E. Sharp Avenue. They helped the victim escape to safety, but the suspect was uncooperative, yelled gibberish, and would not follow commands. He tried to run but fell, and Deputies attempted to detain him. The suspect punched a Deputy in the face and continued to resist efforts to place him in handcuffs. A Taser was deployed twice, and eventually, the Deputies gained control and took the suspect into custody.

Deputies learned the suspect, a convicted felon with a history of violent, assaultive behavior, had just been released from prison days earlier. The suspect was transported and booked into the Spokane County Jail for felony charges of Assault 2nd Degree Strangulation with Sexual Motivation (DV) and Assault 3rd Degree. A Washington State Department of Corrections Hold was placed on him on June 10, 2024.

###

On June 6, 2024, at approximately 2:00 pm, Spokane Valley Deputies responded to a reported possible Domestic Violence call of a large naked male chasing a female who was screaming for help.

A Deputy located the male, later identified as 29-year-old Logan P. L. Ortiz, in the 8500 block of E. Sharp Road. The Deputy noted Ortiz had a large, muscular build and was indeed completely naked as he walked toward the adult female victim, who was balled up on the stairs/porch of a residence.

The Deputy began giving Ortiz commands, but instead of complying, Ortiz looked at the Deputy, opened his arms, laid down next to the victim, and began hugging her. The victim was crying, obviously scared, and yelling for help with her hand extended toward the Deputy. As the Deputy moved closer with his Taser drawn, he told the victim to escape. She stood up and ran from the porch as the Deputy placed himself between her and Ortiz.

Ortiz remained defiant and would not follow commands. He resisted efforts to place him in handcuffs, stood up, began yelling the name of a known gang as he clinched his fists, and took a fighting stance. Ortiz continued to ignore commands despite being warned a Taser would be used as additional Deputies arrived to assist.

Deputies continued to try and de-escalate the situation, but Ortiz remained highly agitated and uncooperative, even stating that he was unarmed and Deputies couldn't do anything to him. Deputies continued to try and calm Ortiz as they backed up, hoping he would step off the cement porch and onto the grass, decreasing the possibility of injury if a Taser was used. Suddenly, Ortiz ran through the yard but tripped and crashed into a recycle bin and trailer as Deputies tried to gain control quickly. Ortiz made it back to his feet, struck a Deputy in the face as he tried to get away, and appeared to be readying himself to hit another Deputy. At this point, a Taser was deployed, which seemed to be effective, causing him to stumble back to a small retaining wall and ball up.

As Deputies tried to place Ortiz in handcuffs, he continued to resist, disconnecting one of the Taser probes. A second application of a Taser was deployed, and after a short struggle, Deputies gained control of Ortiz and placed him in cuffs.

Spokane Valley Fire medics responded to the scene to provide medical treatment. He was transported to the hospital for further evaluation and treatment before being transported and booked into jail.

The victim told Deputies that she and Ortiz dated and lived together in 2020. There had been Domestic Violence incidents in the past, including one where Ortiz strangled her. Once Ortiz was released from prison on June 5, 2024, he messaged the victim, stating he wanted to see her. She declined due to the late hour but admitted she felt bad for him and agreed to meet during the day.

On June 7, 2024, Otiz arrived by bus, and they talked a little before Ortiz asked to use the bathroom. She said he was gone for several minutes, and when she went to check on him, Ortiz was lying naked on her bed. The victim told him he needed to leave, but he didn't and grabbed her arm, pulling her toward the bed. Ortiz refused to leave until she got into bed with him. When she said no, he dragged her onto the bed, put his hands around her neck, and began to strangle her. She couldn't breathe but managed to roll him off her, and she tried to flee the residence.

Ortiz caught up to her and again began to strangle her. The victim elbowed him, broke free from his grasp, and ran out of her home while yelling for help. Ortiz, still completely naked, chased her down the street and through the neighborhood. During her escape, Ortiz caught her again, took her to the ground, and began strangling her. The victim felt like she was starting to lose consciousness when a neighbor intervened, asking what was going on. Ortiz released the victim and began to approach the neighbor aggressively while talking gibberish before chasing after the victim again.

Eventually, he caught up to her in the 8500 block of E. Sharp, where the victim was attempting to get help at a residence, and the initial Deputy arrived, later taking Ortiz into custody.

The victim was provided medical attention at the scene and was transported to the hospital for additional treatment and evaluation.

Deputies confirmed Ortiz had just been released from prison and was on supervised probation for Burglary 1st Degree and Assault 2nd Degree with a Deadly Weapon. He also had a criminal history showing charges of Assault 3rd Degree, Criminal Trespass, Residential Burglary, Retail Theft, Assault 4th Degree, Malicious Mischief, and Domestic Violence Order Violation.

Ortiz was medically cleared and booked into the Spokane County Jail for Assault 2nd Degree Strangulation with Sexual Motivation (DV) and Assault 3rd Degree. During his first appearance in court, Spokane County Superior Court Commissioner set Ortiz's total bond at \$50,000. A Washington State Department of Corrections Hold was also placed on him, preventing his release.

The Deputy who was punched was not severely injured and returned to work.

It really is unfortunate that the Judiciary can't be held responsible.

Excellent job, Deputies.

Oh that poor woman I'm so glad HELP arrived! I lived through domestic violence myself and escaped, it's a horrifying life changing experience.

Typical unfortunately you have those fellas who just don't learn their lessons until they are convicted and doing life without parole. But I was just having a moment. Well that's fine until your moment seeps into our moments. Time to be honest with you... [See more](#)

1. Don't release violent offenders. Name the judge, work to vote against
2. Non-lethal earlier repeatedly: taser, beanbags
3. More K9s used to control violent offenders

I would support an off-planet prison system, especially for repeat and/or violent offenders. Let them float around space for years and may the odds be ever in their favor.
